

REMARKS/ARGUMENTS

The present Amendment after Final cancels all non-allowed claims, leaving only allowed claims 95-118 in the application. All canceled claims have been canceled without prejudice to refiling claims of a similar or identical scope in subsequent applications.

As all remaining claims have been allowed, it is respectfully requested that the present application be passed to issue at an early date.

If for any reason the Examiner believes that a telephone conference would in any way expedite prosecution of the subject application, the Examiner is invited to telephone the undersigned at (650) 326-2400.

Respectfully submitted,

James M. Heslin
